

La vie en bleu 2014

Saturday 24th & Sunday 25th May 2014

A spectacular two day extravaganza celebrating the very best French marques at our wonderful Prescott hill climb set in the heart of the Cotswolds and for 2014 will feature a very special display of Amilcar and Salmson cars in the paddock as well as on the hill climb course. La Vie is now in its eighth year, with a wonderful array of historic vehicles and French styled entertainment. This year the Register has arranged for members to have the opportunity to attend and display their Amilcar & Salmson cars free of charge on either the Saturday or Sunday or indeed for both days. In addition to a special display of Register cars there will also be the opportunity for a Register cavalcade run on the hill course.

Members who would like to attend the event should pre-book with Mrs Mags Diffey on mags@bugatti.co.uk confirming which day/s they would like to attend, confirmation of their car and home address when the necessary car pass, tickets and parking details will be provided.
